

The Foundation

Greater Hartford Jaycees members also belong to the Greater Hartford Jaycees Foundation. The 1970 GHO champion, Bob Murphy, donated a portion of his winnings to create the Greater Hartford Jaycees Foundation. The grant-giving arm of the Greater Hartford Jaycees, the Foundation awards grants to groups serving the elderly, disabled, disadvantaged and children in the local community and provides college scholarships. Since 2001 alone, our grants and scholarships have benefited 2.9 million people in Greater Hartford!

The Great Taste is one of the Greater Hartford Jaycees major fundraisers. By establishing this sure to be world class event that features wine, food, travel and lifestyle, we will be able to continue our extensive community service throughout the year. For more information, please visit www.thegreattaste.com.

We are proud to be part of one of New England's premier sporting events, the Travelers Championship. For more than 50 years we have organized the volunteers for this PGA Tour event. In 2007, Travelers became the title sponsor. The Jaycees and the people from the Greater Hartford community make the golf tournament happen. For a full list of committees and volunteer information, please click on "Volunteers" on www.travelerschampionship.com.

Leadership Development Through Community Service

The Greater Hartford Jaycees

The Greater Hartford Jaycees is a group of volunteers aged 21 to 40. Our mission is leadership development through community service—we improve ourselves while improving our community. We are a non-profit organization affiliated with the National Junior Chamber of Commerce.

Polishing Leadership Skills

Improving Ourselves

The wide variety of projects we run gives our members opportunities to acquire the skills we will need in both our personal and professional lives.

Networking

Public Speaking

Personal Finance

Ropes Course

Kayaking & Hiking

Arts Appreciation

Leadership Ladder

As a member, you will have the chance to join committees, chair projects and serve on one of the boards. As a project chairman, you can polish your leadership skills as you recruit the committee, lead your team, delegate responsibility, manage a budget and market your event.
